

CONCLUSIONS

The Market research and analysis, as described in this report, indicate that the composition, strength, and projected demand for lodging accommodations in Inverness, Florida are sufficient to support a Hilton Garden Inn Hotel. The following comments highlight the findings that support this market conclusion.

Market Area Analysis (Section C)

Whether a new resident or a visitor considering relocation to the City of Inverness, the sense of community, city park facilities, miles of walking and bicycling trails, planned programs and activities provide fun for the entire family. Rich in natural resources and recreational opportunities, the City of Inverness attracts talent and leisure guests from all over the nation.

Through the years, Inverness has become a haven for those seeking a simpler lifestyle, a friendly community to enjoy their retirement, or a safe home to raise their family. Inverness, which is ranked in the Top 15 Place To Retire Nationally, may not be along either of Florida's coasts, but that doesn't mean it isn't near water. The town sits near the almost 11,000-acre lake -- The Flying Eagle Preserve.

The southern area of Inverness, site of the proposed hotel, is home to many new and growing upscale neighborhoods. All of these upscale neighborhoods are within 5-10 minutes of the proposed hotel site. These neighborhoods include: **Baymeadows** – located on Eden Drive about 5 minutes from hotel site; **Sweetwater Point** – Just past Sandpiper Road off Old Floral City Road; **Rosemont** – On Sandpiper Road and across from Inverness Golf Course; **Seven Lakes** - Also on Sandpiper Road; **The Landings and The Moorings** are located on Gospel Island Road

These upscale residential communities will help support the hotel thru visiting friends and family members of these subdivisions.

Inverness, Florida offers:

B B & T Bank	Publix Super Market
Sun Trust Bank	Winn Dixie
City National Bank	Save a Lot
Regions Bank	Sweet Bay Super Market
Bank of America	Rutabaga's Market
Wells Fargo Bank	Walmart Super Center
Old Florida National Bank	
BBVA Bank	Applebee's Grill & Bar
Iberia Bank	Sonny's Barbecue
	Outback Steak House
Citrus County Courthouse	And over 40 regional and local restaurants
Citrus County Government	
Citrus County Sheriff's Headquarters	

Most Importantly - NO HOTELS in the City of Inverness, Florida

The City continues to grow; however, growth is managed and supports the natural habitat. As new areas are identified for development, the City government ensures that services are available to support growth and to improve the quality of life for its citizens.

Site and Area Evaluation (Section D)

The site of the proposed hotel is located at 601 US 41 South in Inverness, Florida. US 41 is a major “Blue Highway” – reflecting the color of the road asphalt reflection. It was the main North/South road through North Central Florida prior to the construction of Interstate 75.

The East Property Boundary is the 46 mile Withlacoochee State Trail of hiking, jogging, bicycling, and horseback riding. A connection to the trail from the hotel site is required to serve the hotel guests. Various Inverness City Administrators stated they support connectivity to the State of Florida Trail.

Supply and Demand Analysis

(Section E)

An analysis of 2018, Days of the Week Occupancy for a given month is presented in Tab 7 of the Smith Travel Research Trend Report is the data from the trailing twelve months ending April 2019.

Daily consistency of excellent occupancy year after year, exhibits stable demand. It has long been stated in the Hotel Industry:

- Occupancy at 40% - The Hotel Loses Money
- Occupancy at 50% - The Hotel Breaks Even
- Occupancy at 60% - The Hotel Makes Money
- Occupancy at 70% - The Hotel Makes A Profit
- Occupancy at 80% - New Hotel Competition is Warranted
- Occupancy at 90% - The Hotel Guest is Under Served

In the Greater Inverness, Florida, when hotels achieve an 85% occupancy, and above, a Sold Out Condition is experienced at the hotel.

Projected Utilization of the Hotel

(Section G)

Based upon the occupancy of the Hilton Garden Inn Hotel, the proposed hotel's Total Market Penetration and underlying assumptions are summarized as follows:

1. *Leisure*: Due to the hotel being marketed as the number-one quality product in the First-Class Select-Service Hotel classification, the hotel's projected penetration of fair market share will range from 104.1% to 104.3% over the five-year projection period.
2. *Commercial*: The fair market share of commercial business is projected to run from 104.1% to 104.3%. This can be achieved with a professional sales marketing effort. If for any reason the tourist business declines through seasonality or energy shortages, state and local commercial solicitation must be made to offset the decline.
3. *Occupancy*: The projected occupancy should be attainable if the property is built as described, professionally operated in all facets, and business of the area continues to be positive. In years 3 to 5, additional competition may materialize to substantially reduce the projections.

These projections are based on estimates and assumptions developed in connection with the Feasibility Study. However, certain assumptions may not materialize, and unanticipated events and circumstances may occur; therefore, actual results achieved during the projection period may vary from the forecasts, and the variations may be material.

Hilton Garden Inn Hotel Inverness, Florida Projected Average Room Rate (Current Year Dollars)			
Year	Occupancy	ADR	Room Revenue
2021	72%	130.00	2,733,120
